Subject: No-Cost Time Extensions

In order for this office to process No-Cost-Time Extensions (NCTE) in a more timely and efficient manner, please provide this office the specific reason(s) for the extension such as material shortage, equipment breakdown, or reassignment of the principal investigator, etc. It's important for us to understand why there is still money remaining beyond the original estimated performance period.

If you have any questions, please do not hesitate to call me.
